

## Pet-Friendly Chico

(Information provided by TrailBlazer Pet Supply and updated by the Chamber!)

We know how much you can't bear to leave Fido home when you want to head out for your morning coffee, or enjoy lunch on a patio. Based on our experience we have listed a variety of places where Fido is welcomed (they might even get a dog biscuit and a water bowl!) It is our recommendation to always call to verify before enjoying one of Chico's fine establishments just to make sure the rules haven't changed. Happy travels!
