

Local Chambers Unite for Business

The Chico Chamber of Commerce and Paradise Ridge Chamber of Commerce recognize the impact the Camp Fire has had on our business communities. During this devastating time, our organizations have unified to be a resource center for businesses that have been impacted. Our number one priority is to ensure every business affected by the Camp Fire has the resources they need to continue moving forward.

Kelsey Torres, Interim President & CEO, "We recognize the Camp Fire has not only seriously affected Butte County businesses, but also the surrounding business community. We are partnering with the Paradise Ridge Chamber to help get those affected by the Camp Fire back to business."

Monica Nolan, Executive Director, Paradise Ridge Chamber of Commerce: "On behalf of PRCOC's directors, members and the business community of the Paradise Ridge, I embrace the opportunity to work closely with our sister organizations to connect our local businesses with the crucial resources necessary to their recovery."

Thank you to all of our members, partners and the community-at-large who have already given to those devastated by the Camp Fire. The Chico Chamber and the Paradise Ridge Chamber will continue to leverage the voice of business throughout the community and will continue to work together to ensure the health of our business community.
